Customized Solutions to Your Enrollment Needs

FACE-TO-FACE ENROLLMENT

Personalized one-on-one meetings with benefit specialists allow employees to review options, get answers and electronically make plan selections. Final enrollment selections are securely sent to insurance companies to complete the policy issue process.

- Convenient electronic appointment scheduling
- On-site benefit specialist
- Personal service with confidentiality
- Supplemental benefit enrollment can be done along with employer-offered/funded (Core) benefit enrollment

TELEPHONIC ENROLLMENT

An excellent option when employees cannot make on-site meetings. Telephone meetings can be scheduled in advance using predetermined timeframes offering both inbound or outbound calls through EBC's state-of-the-art phone system and leading edge voice recording capabilities.

- Telephonic enrollment is convenient, cost effective and private
- Provides enrollment options for organizations with multiple locations
- Supplemental benefit enrollment can be done along with employer-offered/funded (Core) benefit enrollment
- Offers excellent support to Self Enrollment

SELF ENROLLMENT

Supported by call center and/or face-to-face enrollment, employees can complete their own enrollment utilizing a customized online portal.

- Allows employees to enroll at a convenient time
- Provides a method to enroll larger organizations with multiple shifts and locations
- Call Center assistance is available when needed
- Supplemental benefit enrollment can be done in conjunction with employer-offered/funded (Core) benefit enrollment

GROUP ENROLLMENT

When it's not possible to coordinate individual meetings, a group setting educates employees about benefit choices and the enrollment process to ensure efficient completion.

- Convenient where individual meetings are impractical
- Effectively delivers timely group information and specific answers
- Allows for follow-up in face-to-face or telephonic meetings with benefits specialists
- Prepares employees to complete enrollment telephonically or online

Customized Benefit Guides

Key information about employer offered/funded core and supplemental benefits is outlined in a customized guide to provide employees with the resources to make informed decisions.
